Women of Color***

Friday, February 24, 12 noon to 1:30 p.m.

Prince Georges Planning Board Member Dorothy F. Bailey, a renaissance woman in her own right, brings to light the wisdom, beauty, strength and courage of women she refers to as wisdom carriers in a brilliant book enhanced with exquisite photography. *In a Different Light* illuminates—not through the expansive rays of biographies or in-depth stories, but as a passing spotlight—a moment in the lives of 90 well-lived Maryland women who have gathered wisdom for seven decades or more. Hear some of the stories behind the photographs—the real answers to, “If I knew then what I know now....”
